CURRICULUM VITAE

Endre Csáki

Date of Birth: 1935 January 7

Education, Degrees:

1958:	M.Sc. in Mathematics Eötvös Loránd University, Budapest
1975:	Ph.D. (CSc) in Mathematics Hungarian Academy of Sciences, Budapest
1989:	DSc in Mathematics Hungarian Academy of Sciences, Budapest

Positions:

1958-1975:	Research Fellow, Mathematical Institute of the Hungarian Academy of Sciences.
1970-1973:	Lecturer, Department of Mathematics Nairobi University (on leave from Math. Inst. Hung. Acad. Sci.)
1975-1989:	Senior Research Fellow, Mathematical Institute of the Hungarian Academy of Sciences.
1989- :	Scientific Advisor, Alfréd Rényi Institute of Mathematics, Hungarian Academy of Sciences.
1985-2004:	Head of Department of Probability at the Mathematical Institute

A selection of important scientific visits

1978 July:	McMaster Univ, Canada
1981 May-June:	Purdue Univ., USA
1981 July-August:	McMaster Univ., Canada
1984 July-August:	McMaster Univ., Canada
1990 July-August:	Carleton Univ., Canada
1992 July-August:	Carleton Univ., Canada
1997 August:	Carleton Univ., Canada
1998 September:	University Paris VI, France
1999 March and November:	University Paris VI, France

Honours:

1964:	Grünwald Géza Prize awarded by Bolyai Math. Society
2003:	Academic Prize awarded by Hungarian Academy of Sciences

Memberships:

János Bolyai Mathematical Society, Hungary
American Mathematical Society
Bernoulli Society

Personal: married, father of three children
