

**Curriculum Vitae of Gábor Tusnády**  
**June 8, 2014**

**Education**

B.S. in Mathematics and Physics at Eötvös Loránd University, Budapest, Hungary (1962)

M.A. in Mathematics and Teaching of Mathematics at Eötvös Loránd University, Budapest, Hungary (1964)

PhD in Mathematics at Eötvös Loránd University, Budapest, Hungary (1972)

PhD Dissertation *On the conservation of entropy*

**Position**

Assistant Professor in Calculus at Eötvös Loránd University, Budapest, Hungary (1962-65)

Research Fellow at Rényi Institute of Mathematics, Budapest, Hungary (1965-2013)

Professor Emeritus at Rényi Institute of Mathematics, Budapest, Hungary (2014-)

**Other Professional Experiences**

Postdoctoral Fellow at Queens University, Kingston, Canada (1973)

Invited Research Fellow at Orsay, France (1981)

Statistical Consultant to Cancer Institute, Budapest, Hungary (1983-2013)

Visting Professor at Debrecen University, Hungary (1996-99)

**Editorial Board**

The Annals of Statistics (1983-86)

Probability Theory and Related Fields (1983-89)

**Honors and Awards**

Rényi Award (1975)

Erdős Award (1978)

Szele Award (2000)

Széchenyi Award (2014)
